## Dancer levels...

Our competitive levels are designed to give dancers an opportunity to compete fairly. In an effort to keep the levels as accurate as possible Dance Champs has limited the number of routines a dancer in each level can perform. It is IMPERATIVE that the Studio enter each Dancer in the appropriate level. It is the responsibility of the Studio to be aware of DCE Rules and Guidelines.

**NOBILITY:** This level has been designed specifically for children, teens and adults with disabilities. We are excited to offer dancer's a level to be judged fairly and an opportunity to freely communicate through dance regardless of their abilities or challenges. This level will be adjudicated as well as receive overall high score placement within the entries division. When registering you will be able to let us know your specific dancers challenges in our notes section.

Duo/Trio routines with 1 or more dancers in the Nobility level can be entered at the Nobility level.

50% or more of the individual dancers in a group must be in the Nobility level for the routine, as a whole, to be placed in the Nobility level

**ROYALTY:** Dancers with little or no competition experience who take 1-3 hours of class per week. It is designed to let the novice dancers get the feel for competition, stage performances, judges, audiences, etc., and will be adjudicated, as well as receive overall high score placement within the entries division. It is NOT mandatory that beginner dancers enter at this Level. Groups may be placed in the Royalty level only if that group is made-up of at least 50% novice dancers. Dancers in this level are eligible to compete in up to 7 routines (excluding productions).

**MAJESTY:** Dancers taking up to 6 hours of classes per week. This is the intermediate level for DCE and meant for dancers who are not beginners. This level will be adjudicated as well as receive overall high score placement within the entries division. Dancers in this level are eligible to compete in up to 10 routines (excluding productions).

**SUPREMACY:** Dancers taking approximately 7 or more hours of class per week. This is the more advance level meant for more experienced dancers. This level will be adjudicated as well as receive overall high score placement within the entries division. Dancers in this level can compete in an unlimited number of routines
